This is Kristyan's response:

Tyler,

I have been notified of the draft being returned. I am truly sorry that this happened. This was due to change over in our financial systems to the SEM fiduciary program. I will pay the \$30 bank fee. I am working with DA Davidson to have bills paid from that account until funds are deposited from the property sales.

We have been in contact with Tyler Hinckley and Gary Luloff and neither are taking new cases right now. I would like to consult with Rick Burchak. He has done some guardianship work. I actually have a call scheduled with Mr. Burchak at 2 pm on another case and would like to discuss this case with him at that time. Any objections?

Finding new counsel is proving more challenging than anticipated! Thanks for your patience.

Tyler
